News Release #05-11

6th Annual Edward G. Enns City Championship

Lucy Posa, golf course manager at the Fort Pierce City owned Indian Hills Golf Course (IHGC) is pleased to announce the 6th annual Edward G. Enns City Championship on March 19-20, 2011.

The event is open to any amateur golfer who wishes to play 36 holes of competitive golf. With five divisions for competition; ladies, men, senior ladies, senior men and legend, the entry fee of \$100 includes 2 rounds of golf, greens fee and golf cart, prizes with lunch and awards ceremony on Sunday.

The tournament is named in honor of visionary mayor, Edward Enns, who convinced his fellow city leaders to buy out the course's membership when the club fell on hard times back in the 1990s. Once purchased, the City of Fort Pierce funded \$3 million towards redesign and rebuilding the course with Tiff Eagle greens.

For more information or registration stop by the golf course at 1600 South 3rd Street, Fort Pierce, Florida (772) 465-8110.
