City of Fort Pierce Offers Memorial Bench Program

The City of Fort Pierce receives numerous requests each year, from individuals, families, co-workers and friends, wishing to dedicate a bench in memory of a loved one who has passed on, or simply in honor of a friend or family member's birthday.

With the memorial bench program, the Public Works Department is offering four styles to choose from, ranging in price from \$500-\$1500. The memorial bench purchase provides the bench of your choice, maintenance for the life of the bench, installation and a personalized 3"x16" plaque. The City has a list of specific locations for bench placement based on park design, function and aesthetics.

For more information and options, contact the City of Fort Pierce Public Works Department, 772-460-2200 x400.
