## Fort Pierce City Marina Offers Labor Day Weekend Specials

The City owned Fort Pierce Marina is offering rollback prices for the Labor Day Holiday Weekend. Regularly \$1.85 per foot per day, the Labor Day Weekend rate is 95 cents per foot per day and includes electric.

If you use your Boat US Card, individuals can save an extra 10 cents per gallon on fuel and if you stay overnight at the Marina, an additional 5 cents off the cost of fuel. If you don't have a membership card you can purchase one in the Marina office for \$19.

Come shop during the weekend and receive a 15% discount on Marina store merchandise. Now you have no excuse to not get out and go boating for the weekend. Friday night is Friday Fest, Saturday morning is Farmers Market, and the rest of the weekend should be beautiful for sunning and fishing!
