News Release #24-10

City of Fort Pierce Flood Plan Annual Evaluation Report

The City of Fort Pierce's Annual Flood Protection Plan and other flood related information is available on the City's web site link <http://www.cityoffortpierce.com/Building%20Dept/floodProtection.html>

The Flood Plan outlines capital improvement projects in the City and what initiatives have been taken to alleviate the risk of flooding in certain areas. Other pertinent flood information during an emergency, flood insurance, safety, property protection, etc. is on the City's web site or by contacting the Building Department, 772-460-2200.
