## **Fort Pierce Jetty Inlet Park Ribbon Cutting Scheduled**

The City of Fort Pierce will hold a ribbon cutting ceremony for the Jetty Inlet Park Improvements on Tuesday, November 5, 2013 at 10:00 a.m., Seaway Drive and South A1A in Fort Pierce. The park improvements were funded by several grant awards which include:

- National Scenic Byways - in the amount of \$1.6 million
- Land and Water Conservation Fund Program (LWCF) - in the amount of \$200,000
- Florida Recreation Development Assistance Program (FRDAP) - in the amount of \$135,611
- Florida Communities Trust "Florida Forever" Program (FCT) - in the amount of \$2,966,734

The park improvements were designed as a "Passive Park" to enhance a comfortable setting for residents and guests who visit the area. Construction and additions to the park included multi-use tabby-shelled concrete pathways, two 25' gazebos, one 20' gazebo covering the fish cleaning station, beautiful mosaic benches throughout, telescopes overlooking the inlet and ocean, "turtle friendly" amber LED lighting, landscaping, concrete game tables, bench swings, bicycle racks and fix-it stations and four informational kiosks describing the site's use during World War II.

Please join the City of Fort Pierce Mayor and Commissioners to celebrate this exciting event and enjoy the beautiful view and improvements at the Jetty Inlet Park.
