News Release #30-10

Fort Pierce Code Enforcement Department Donates To Mustard Seed Ministries

The purchase of cookies, crackers, gum, and sodas from the Code Enforcement Department's second floor 'store', means turkeys and all the fixings for Mustard Seed Ministries. The City's Code Enforcement staff donated \$400 to the local non-profit for their 21st Annual Thanksgiving Celebration on November 25, 2010.

Proceeds from the snacks purchased throughout the year by City Employees and the public will afford the non-profit to feed more than 10,000 people that are expected to turnout for the annual event.
