News Release #32-10

Fort Pierce City Hall Closes One Day a Month

Effective this month and the remainder of the current fiscal year, Fort Pierce City Hall will be closed the fourth Friday of each month to meet the furlough requirement of 96 hours or 8 hours per month by all City employees. The City's FY 2011 Operating Budget contemplated the one furlough day per month or approximately \$700,000 reduction. Additionally, the overall estimated energy and fuel savings for closing City Hall and the Public Works Compound for the remaining 11 days is approximately \$20,084.

City Hall will continue to recognize specific holidays and when the holiday falls on the fourth Friday, the City offices will be closed the following Monday. City enterprise or safety operations such as Solid Waste, City Marina, Indian Hills Golf Course, Sunrise Theatre, River Walk Center and the Police Department will remain open.
