News Release #31-10

Northwest Pioneers Park Ribbon Cutting Scheduled

The City of Fort Pierce will hold a ribbon cutting ceremony for the newly redesigned and enhanced Northwest Pioneers Park on Wednesday, November 17, 2010, 10:00 a.m. at the park entrance North 29th Street and Avenue M in Fort Pierce.

The project encompasses two city blocks surrounded by single family homes in the Northwest community of Fort Pierce which was founded by 'founding families'. Once a passive neighborhood park, the \$1.1 million improvements have created an active park environment, with a large playground, basketball courts, bathrooms, park shelters and large pavilion.

The ribbon cutting is open to the public.
