News Release #33-10

City of Fort Pierce and Fort Pierce Utilities Authority Hold Public Workshop on Relationship with Wholesale Power Provider

The City of Fort Pierce Commission and the Fort Pierce Utilities Authority Board are hosting an educational public workshop on December 13, 2010, 6:30-10:00 p.m. at Fort Pierce City Hall, City Commission Chamber to discuss the relationship of the Florida Municipal Power Agency (FMPA) and the City.

Nicholas Guarriello, General Manager & CEO of FMPA will discuss the FMPA organization, formation and relationship with the City and how the municipal agency is becoming more competitive. A representative from the Florida Power Municipal Agency (FMPA) will provide general information and answer submitted questions from the public during workshop.

Questions submitted in advance from the public will be answered during this workshop. To submit a question, you may e-mail by going to www.cityoffortpierce.com and click on the Utility Workshop box, fax questions to 772-489-8042 or provide written submittals to the City of Fort Pierce, City Manager's Office, 100 N. U.S. Highway 1, Fort Pierce, FL 34950. Questions must be received by December 3.
