News Release #40-13

Fort Pierce Holiday Spirit Lights Up Marina Square and Tree

The upcoming Downtown Fort Pierce holiday season looks bright with the traditional Christmas tree, dancing lights and decorations thanks to the Mayor, City Commissioners, individuals and a local neighborhood association's financial support.

A generous donation for the Marina Square Holiday Lights came from the Hibiscus Park Neighborhood Association for \$310 and the City of Fort Pierce utilizing Florida Gaming Funds to offset the \$49,000 expense.

The 100,000 red, green and white lights and synchronized music display runs nightly from 6-10 p.m. December 8, 2013 – January 5, 2014.
