News Release #41-13

Fort Pierce is Treasure Coast Stop for Florida East Coast 4th Annual Toys for Tots Train

On Saturday, December 14, 2013, 1:25 p.m., a southbound passenger train will stop in Downtown Fort Pierce on the Florida East Coast Rail System. The 20-minute stop at the Orange Avenue rail crossing will allow for special guests, Mr. & Mrs. Santa Claus, to have elves deliver holiday gifts collected by FEC employees and their families.

Representatives from the local Fort Pierce Toys for Tots, United States Marine Corps, FEC employees and their families will be at the train crossing in Downtown Fort Pierce to accept the gifts. In addition, the public is invited to participate by donating an unwrapped gift to be later distributed in their community.

The Toys for Tots Christmas Train will stop at Jacksonville, St. Augustine, New Smyrna Beach, Cocoa, Fort Pierce, West Palm Beach, Ft. Lauderdale and North Miami. FEC has made this a great tradition along the east coast of Florida in support of the communities where FEC employees work every day and especially during the Holiday Season.
